

## TO ALL PARENTS/GUARDIANS MAKING APPLICATION TO LIVINGSTONE HIGH SCHOOL

Thank you for making an application for your child's admission to our school. It has however become necessary to stress that we are unable to accommodate all applicants.

We, therefore, offer you the following advice :

1. It is important that you **make early application to other schools** as well. The claim that application has only been made to Livingstone cannot be considered a selection criterion.
2. Only those applications made between the period of **1 February and 11 March 2016** will be considered. The chance of success does not depend on how early or late in that period the application is made.
3. Attach a **certified copy** of the child's **Final Grade Six Report Card** as well as the most recent **Telkom or Municipal account** to the completed application form.
4. Return all application forms to the school by **Friday, 11 March 2016**.
5. Completed application forms may be returned to the school only between **08:30 and 15:00 any week day between 1 February 2016 and 11 March 2016**.

Points for Consideration:

1. Since all classes (other than the Music class) follow the same courses, pupils wishing to do Accounting as one of the subjects in the Further Education and Training phase (Grades Ten – Twelve) must write a Means Test towards the end of their Grade Nine year. Selection of the senior Accounting pupils will be based solely on the results they attain in this test. Those selecting Art will be auditioned at the end of their Grade Nine year. Eligibility for Physical Science in the Further Education and Training Phase requires the student to show proficiency both in Mathematics and the Physical Science component of Natural Science at a Grade 9 level.
2. As indicated in the guidelines, a pupil who selects Music as an option must take Music to Grade Twelve Level.
3. All pupils, except Music pupils, in the General Education and Training Phase (Grade Eight and Nine) will take either Xhosa or German as a third language.
4. You will receive correspondence of the outcome of your child's application by the **24 JUNE 2016**. If such notification has not arrived by **24 JUNE 2016**, please contact the school.

We wish you all the best, and thank you for your application.

The Admissions Committee.
